	Case Number: 03 CR 204 Div.: R
ORDER REITERATING LIMITED PRETRIAL PUBLICITY	

It has come to the Court's attention that counsel for the People, Defense and alleged victim have recently made public statements in open court, through press releases and to the media either directly or through representatives, which may be contrary to the intent of the Order Re Pretrial Publicity. The Order was entered based upon the Court's concern that public comment could disrupt the processes by which a fair trial would be preserved. The Court deems it appropriate and necessary to caution counsel and their representatives to abide by the spirit of the Order, which is based upon the Colorado Rules of Professional Conduct.

Dated this 12th day of March, 2004

 Chief District Court Judge
