

AJA Site Selection Survey

One of the most visible benefits of AJA membership is the opportunity to join our colleagues at the midyear and annual conferences. The Conference Site Committee wants to ensure that your input is included in the selection of future meeting sites.

A list of the conference sites that already have been determined is shown below:

2000 Midyear	San Juan, Puerto Rico	2000 Annual	Kansas City, Missouri
2001 Midyear	Hot Springs, Arkansas	2001 Annual	Reno, Nevada
2002 Midyear	Washington, DC	2002 Annual	Maui, Hawaii

As stated above, it would be helpful to have member input about preferred sites. A number of popular destinations are listed below. Please rate your top five choices, with "1" being your most preferred destination. There also is room for you to add sites not included on the list.
