## AJA Member Heads New Drug Court Professionals Association

Judge Jeffrey Rosinek, Eleventh Judicial Circuit, Miami, is the first president of the new Florida Association of Drug Court Professionals. The Florida legislature created this association to imbue individual efforts with the knowledge of the potential and successes of drug courts.

The association has appointed its first board of directors, which includes representatives from each judicial circuit and court of appeals district in the state, including judges, prosecutors, defense counsel, and drug treatment professionals. The association held its first organizational meeting on December 1, 2001, on Amelia Island, Florida.

Judge Rosinek served as AJA's president from 1996 to 1997.

## National Center Releases 2001 Report on Trends in the State Courts

The Knowledge and Information Services division of the National Center for State Courts has released its *Annual Report on Trends in the State Courts (Trends)* for 2001. This year, *Trends* focuses on a broad cross-section of emerging issues and practices that could affect state courts in the future.

*Trends* explores controversial issues and recent trends in areas such as customer service for pro se litigants, the new realm of non-apparent disabilities, court technology, competency of counsel, and jury comprehension.

To order copies of *Trends*, please contact Knowledge and Information Services at (800) 616-6164 or send an e-mail message to [knowledge@ncsc.dni.us](mailto:knowledge@ncsc.dni.us).
